Description :

Prsentation de l'diteur *Don't read this book if you don't like snarky, dominant, tattooed men who say things like "Open your mouth, and I will," after you tell them to shove it. And don't read this book if you don't like sassy, strong-willed, fiercely independent heroines who use phrases like "bossy asshole" as a term of endearment. You have been warned.*"Tattooed package of sin."That's how Savannah Ryan would describe her new boss, Declan Whitmore, the deliciously tatted and pierced fighter who holds the top spot in Boston's newest underground fighting organization. She'd also describe him as bossy, arrogant, and--depending on what he does to piss her off that particular day--an asshole.It's that aloof attitude, along with Savannah's witty comebacks and tight little body that land her on his radar. Unfortunately for her, Declan is relentless when he sets his sights on someone, both in and out of the ring. Unfortunately for him, this recently reformed bad girl is trying to go straight after heading down a dangerous path. She's not going to make this

easy for him. In fact, she's going to make it--and him--very, very hard. Declan's not worried, though. He'll have Savannah come hell or high water, because if there's one word he'd use to describe her, it's "MINE." Biographie de l'auteur Kelley lives in Texas, but she swears its not all country music and cowboy boots... Okay, some of it is, but not all of it. Shes got an amazing husband, who continues to inspire her every day. Even after twelve years and two ridiculously cute little girls.
